## ENFINIGY® Toaster

Art-Nr.: 53008-000-0

### Function/Features

- Steel body
- 2 slots for 2 slices
- Soft-lift function to gently raise the toast
- High-lift facility for easy toast removal
- 4 separate heating units for even browning results
- Adjustable browning level control (7 settings)
- Cancel function
- Defrost, reheat, bagel function
- LED illuminated control elements
- Removable crumb tray
- Bread centering guides
- Integrated cord storage
- Safety shut-off if toast got jammed

### Accessories

- Removable bun warmer

### Technical data

Voltage / Frequency	220 - 240 V~, 50 - 60 Hz
Power	840 - 1000 Watt
Cable length	100 cm
Weight	2.0 kg

Packaging dimensions	340 x 198 x 310 mm (W x D x H)
Weight incl. product (approx.)	2.9 kg
Pieces per Master carton	2
Warranty	5 years on registration

## ENFINIGY® Toaster

Art-Nr.: 53008-001-0

### Function/Features

- Steel body
- 2 slots for 2 slices
- Soft-lift function to gently raise the toast
- High-lift facility for easy toast removal
- 4 separate heating units for even browning results

- Defrost, reheat, bagel function
- LED illuminated control elements
- Removable crumb tray
- Bread centering guides
- Integrated cord storage
- Safety shut-off if toast got jammed

### Technical data

Voltage / Frequency	220 - 240 V~, 50 - 60 Hz
Power	840 - 1000 Watt
Cable length	100 cm
Weight	2.0 kg

Packaging dimensions	340 x 198 x 250 mm (W x D x H)
Weight incl. product (approx.)	2.8 kg
Pieces per Master carton	2
Warranty	5 years on registration

## ENFINIGY® Toaster

Art-Nr.: 53009-000-0

### Function/Features

- Steel body
- 2 slots for 4 slices
- Soft-lift function to gently raise the toast
- High-lift facility for easy toast removal
- 4 separate heating units for even browning results
- Adjustable browning level control (7 settings)
- Cancel function
- Defrost, reheat, bagel function
- LED illuminated control elements
- Removable crumb tray
- Bread centering guides
- Integrated cord storage
- Safety shut-off if toast got jammed

### Accessories

- Removable bun warmer

### Technical data

Voltage / Frequency	220 - 240 V~, 50-60 Hz
Power	1500 - 1800 Watt
Cable length	100 cm
Weight	2.8 kg

Packaging dimensions	455 x 199 x 310 mm (W x D x H)
Weight incl. product (approx.)	3.6 kg
Pieces per Master carton	2
Warranty	5 years on registration

Weight incl. product (approx.)	3.5 kg
Pieces per Master carton	2
Warranty	5 years on registration

## ENFINIGY® Toaster

Art-Nr.: 53010-000-0

### Function/Features

- Steel body
- 4 slots for 4 slices
- Soft-lift function to gently raise the toast
- High-lift facility for easy toast removal
- 8 separate heating units for even browning results
- Adjustable browning level control (7 settings)
- Cancel function
- Defrost, reheat, bagel function
- LED illuminated control elements
- Removable crumb tray
- Bread centering guides
- Integrated cord storage
- Safety shut-off if toast got jammed

### Technical data

Voltage / Frequency	220-240 V~, 50-60 Hz
Power	1500- 1800 Watt
Cable length	100 cm
Weight	3.8 kg

Packaging dimensions	326 x 342 x 268 mm (W x D x H)
Weight incl. product (approx.)	4,5 kg
Pieces per Master carton	1
Warranty	5 years on registration

## ENFINIGY® Electric Kettle

Art-Nr.: 53005-000-0

### Function/Features

- 360° base with cord storage for convenient stowing
- Dual-wall heat-insulated body
- Seamless stainless steel inner container and concealed heating element
- Lid inside made of stainless steel
- One-touch soft-opening lid
- Stainless steel limescale filter
- ON/OFF button with LED-light
- Automatic switch-off
- Drying and overheating protection

### Technical data

Voltage / Frequency	220-240 V~, 50-60 Hz
Power	1550 - 1850 Watt
Capacity	max. 1.5 litre
Cable length	75 cm
Weight	1.3 kg

Packaging dimensions	262 x 220 x 325 mm (W x D x H)
Weight incl. product (approx.)	1.8 kg
Pieces per Master carton	2
Warranty	5 years on registration

## ENFINIGY® Electric Kettle Pro

Art-Nr.: 53006-000-0

### Function/Features

360° base with touch display and cord storage for convenient stowing

Preset programmes: 60°C, 70°C, 80°C, baby food 40°C, coffee brewing 93°C, 100°C, keep warm feature

Dual-wall heat-insulated body

Seamless stainless steel inner container and concealed heating element

Lid inside made of stainless steel

One-touch soft-opening lid

Stainless steel limescale filter

Automatic switch-off

Drying and overheating protection

### Technical data

Voltage / Frequency 220-240 V~, 50-60 Hz

Power 1550 - 1850 Watt

Capacity max. 1.5 litre

Cable length 75 cm

Weight 1.7 kg

Packaging dimensions	262 x 220 x 325 mm (W x D x H)
Weight incl. product (approx.)	2.1 kg
Pieces per Master carton	2
Warranty	5 years on registration

## ENFINIGY® Personal Blender

Art-Nr.: 53003-000-0

### Function/Features

ZWILLING stainless steel blade, made in Solingen, Germany

ZWILLING special formula steel cross-blade with Piranha serration for best mashing results

Intuitive interface with easy to adjust preset programmes: Smoothie, Pulse

Powerful, low-noise AC motor with high torque to maintain blade speed and automatic switch-off safety feature

550 millilitre BPA-free Tritan jar  
Break-proof, easy to clean jar, handwashing recommended

Cord storage

### Accessories

To-go drinking lid

### Technical data

Voltage / Frequency 220-240 V~, 50-60 Hz

Power 600 Watt

Capacity 550 millilitre

Cable length 85 cm

Weight 2.3 kg

Packaging dimensions	198 x 177 x 475 mm (W x D x H)
Weight incl. product (approx.)	2.9 kg
Pieces per Master carton	2
Warranty	3 years on registration

## ENFINIGY® Table Blender

Art-Nr.: 53002-000-0

### Function/Features

ZWILLING stainless steel blade, made in Solingen, Germany

ZWILLING special formula steel cross-blade with Piranha serration for best mashing results

Preset programmes:  
Smoothie, cocktail, ice crushing, cleaning, pulse

Powerful, low-noise AC motor with high torque to maintain blade speed and automatic switch-off safety feature

12 smoothly adjustable speed settings

1.4 litre BPA-free Tritan jar  
Break-proof, easy to clean jar, handwashing recommended

Blade safety locking system (motor does not start without jar/lid)

Cord storage

### Accessories

Measuring cup, Tamper

### Technical data

Voltage / Frequency 220-240 V~, 50-60 Hz

Power 1200 Watt

Capacity 1.4 litre

Cable length 100 cm

Weight 3.9 kg

Packaging dimensions	270 x 210 x 502 mm (W x D x H)
Weight incl. product (approx.)	4.7 kg
Pieces per Master carton	2
Warranty	5 years on registration

## ENFINIGY® Power Blender

Art-Nr.: 53000-000-0

### Function/Features

ZWILLING stainless steel blade, made in Solingen, Germany

ZWILLING special formula steel winglet blade with Piranha serration for best mashing results

Preset programmes:  
Smoothie, cocktail, ice cream, ice crushing, cleaning, pulse

Powerful, low-noise AC motor with high torque to maintain blade speed and automatic switch-off safety feature

12 smoothly adjustable speed settings

1.8 litre BPA-free Tritan jar  
Break-proof, easy to clean jar, handwashing recommended

LCD-Display

Blade safety locking system (motor does not start without jar/lid)

Cord storage

### Accessories

Measuring cup, Tamper

### Technical data

Voltage / Frequency 220-240 V~, 50-60 Hz

Power 1600 Watt

Capacity 1.8 litre

Cable length 100 cm

Weight 4.7 kg

Packaging dimensions	305 x 237 x 530 mm (W x D x H)
Weight incl. product (approx.)	5.8 kg
Pieces per Master carton	1
Warranty	5 years on registration

## ENFINIGY® Power Blender Pro

Art-Nr.: 53001-000-0

### Function/Features

ZWILLING stainless steel blade, made in Solingen, Germany

ZWILLING special formula steel winglet blade with Piranha serration for best mashing results

Powerful, low-wear DC motor with high torque to maintain blade speed  
automatic switch-off safety feature

Integrated scale with tare function

12 smoothly adjustable speed settings

Preset programmes:

Smoothie, cocktail, ice cream, soups, ice crushing, cleaning, scale, pulse

LCD-display

1.8 litre BPA-free Tritan jar

Break-proof, easy to clean jar, handwashing recommended

Blade safety locking system (motor does not start without jar/lid)

Cord storage

### Accessories

Measuring cup

Tamper with temperature sensor and display

Scale plate

### Technical data

Voltage / Frequency 220-240 V~, 50-60 Hz

Power 1200 Watt  
*(4.5 PS MOTOR  
Denotes the pure motor  
power measured under  
laboratory conditions.  
Operating performance  
may vary in actual use.)*

Capacity 1.8 litre

Cable length 100 cm

Weight 5.8 kg

Packaging dimensions 305 x 237 x 585 mm (W x D x H)

Weight incl. product (approx.) 6.7 kg

Pieces per Master carton 1

Warranty 10 years on registration

## ENFINIGY® Digital Scale

Art-Nr.: 53011-050-0

### Function/Features

Maximum weight 10 kg

Integrated rechargeable Li-ion battery with charging cable

Weighing function (tare)

Large glass weighing surface with brightly illuminated LCD display

Switchable units g/oz

Weight unit 1 g/0.1 oz

Automatic switch-off function

Sensor touch operation

### Technical data

Power supply	200mAh Li-Ion battery rechargeable via USB
Cable length (USB)	100 cm
Maximum load	10 kg
Unit of weight	1 g / 0,1 oz   gramm (g), ounces (oz)
Weight	0.6 kg

Packaging dimensions	293 x 240 x 46 mm (W x D x H)
Weight incl. product (approx.)	1.4 kg
Pieces per Master carton	4
Warranty	5 years on registration
